

# A whimsical journey into one woman's search for her true self...

“Rachael is a great role model to inspire all girls and women on the spectrum. Celebrate with Rachael the gorgeous diversity of humankind.”

Michelle S. Garnett of Minds and Hearts

“Harris has written a beautiful and personal story to inspire and calm. This shows, sometimes amusingly, Asperger's as the perfect springboard for spiritual growth.”

Dame Stephanie Shirley, Chair,  
The Shirley Foundation

“What a wonder she has worked - not only in her writing but also in her life! To have discovered the blessing within what others would describe as an affliction - Asperger's syndrome. She is a stand-out example of a life well lived.

Enjoy her story, as I did! Be moved by her courage!”

Fr. Francis A. Gerry,  
Society of the Divine Word  
Missionaries at Marburg

Rachael Lee Harris spent her early childhood locked in an autistic fog. Rachael's determination to take her place in society led her down many paths, from beauty therapist to Catholic nun, from mother and wife to divorcee and working mum. Today, she is a psychotherapist specialising in helping others on the autism spectrum.
